

## POSITION DESCRIPTION

### Casual Creative Teachers, One Day Studios

Place of work	Warrnambool
Reports to	Business Development Manager
Date approved	TBA
Approved by	Committee of Management

#### Background

One Day Studios is an exciting social enterprise aimed at inspiring young people to achieve careers in creative digital industries. We develop and teach creative projects, including animation, illustration, gaming and manufacturing.

One Day Studios was founded in 2020 by Richard Pritchard, Dave McIntyre and Gareth Colliton. Our vision is to create a welcoming, safe space in which young people of all abilities can access digital tools, skills and industry networks to improve their employment prospects.

#### 1. Position Objectives

We are seeking enthusiastic and creative individuals to join our team as Casual Creative Teachers for after-school classes. As an integral part of our educational program, you will have the opportunity to inspire and engage students in a variety of creative subjects. This position is ideal for individuals passionate about fostering creativity and providing a positive learning experience.

#### 2. Responsibilities and Duties

##### Class Instruction:

- Develop and implement engaging lesson plans in various creative subjects such as arts and crafts, drama, music, or other related activities.
- Foster a supportive and inclusive environment where students can explore their creativity.

##### Student Engagement

- Encourage active participation and enthusiasm among students.
- Provide constructive feedback to help students develop their skills and talents.

##### Safety and Well-being:

- Ensure the safety and well-being of all students during class hours.
- Maintain a positive and respectful classroom environment.

##### Communication

- Communicate effectively with students, parents, and colleagues.

##### Resource Management

- Manage and organise materials, supplies, and equipment for class activities.
- Ensure a clean and orderly classroom space.

### **3. Qualifications and desirable experience**

- Experience in teaching or facilitating creative classes.
- Strong passion for the subject matter and a commitment to fostering creativity.
- Excellent communication and interpersonal skills.
- Ability to adapt teaching methods to accommodate different learning styles.
- Flexibility to work during after-school hours.
- Background in education, arts, or a related field.
- Experience working with children or young learners.
- Familiarity with diverse teaching methodologies and creative techniques.
- Ability to create a positive and inclusive learning environment.

### **4. Desirable personal attributes and capabilities**

- High levels of Emotional Intelligence.
- Strategic thinker.
- Leadership qualities.
- Genuine commitment to the One Day Studios values and ethos.
- Willingness to work flexibly as required.
- Excellent communication skills.

### **5. General Employment Probity Checks**

- Current Fit2Work (police check)
- Working With Children Check
